

SEVEN GRAND DENVER SIPPIN' CODE

Safety is the name of the game here. Below you'll see how we're making sure our space upholds the requirements set out by the state of Colorado and makes sure that we're keeping the people we care about: you, our staff, and loved ones healthy.

MASK IT UP. Please pick out your favorite mask covering and wear it proudly when entering, exiting, and moving through the indoor and outdoor space. Thank you for helping keep us and those around you protected!

GIVE EVERYONE THEIR 6 FEET. When entering, exiting, or walking through the space, give everyone about 6 and half bottles of Jack Daniels' worth of distance.

HIT UP THAT HAND SANITIZER. We have pumps and sprays stationed around the space for your convenience and safety.

STICK WITH THE CREW YOU ROLLED IN WITH. That's not to say you can't buy a round of Buffalo Trace shots for the group across the room.

ORDER THROUGH THE TABLESIDE SERVICE. All drink orders will be placed with a table server. No standing! Note: We won't be taking orders at the bar to minimize contact with our drink-slinging bartenders and because it's in the guidelines that have been handed down. Do please keep in mind that our "servers" are bartenders by nature so please don't be too hard on their tray carrying skills!

REACQUAINT YOURSELF WITH SOME OLD PALS. You'll have digital access to cocktail menus as well as the Whiskey Bibles via QR codes we will provide to peruse all of our selections on offer. Upon request, we will provide you with a non-reusable paper menu outlining should you absolutely need one. It won't have all of the stuff we have, because, man, that would be a lot of printer paper, but as always our staff will be happy to recommend some good sips if you let us know what you're in the mood for. We're excited to see what you've been missing!

PUT YOUR NAME ON OUR WAIT LIST AT THE DOOR along with your phone number and feel free to peruse the neighborhood and the gorgeous Dairy Block. We will call you when your table is ready. We're trying our best to avoid large groups congregating, so it's important for us to stagger service.

BRING PLASTIC. We are going card only for payments for the time being to minimize handling cash money. Thanks for your understanding!

HAVE FUN. We're so excited to welcome you back into our humble little bar.
